# Transfer Into Your Tomorrow

## What Do You Want to Do Next?

With several degree pathways, the ability to earn transfer credits or return to school after some time off, you will gain skills and knowledge to add value to your existing credentials.  
**Your unique path will open opportunities for a one-of-a-kind career.**

## Welcoming & Supportive

Our supportive faculty and staff foster an environment where you can build on your existing education to meet your career goals.  
**At UWindsor, you will connect with new people and make friends for life.**

At UWindsor, we are committed to recognizing what you have already learned. We prioritize your most recent academic achievement when determining admissibility, and provide a full review of your previous courses for potential transfer credits after you are accepted at the University of Windsor.

# Your Future Made in Windsor

## YOUR WAY OF LEARNING

We adapt to the demands of our students.  
We are finding new paths to reach more learners with online classes and hybrid learning opportunities to complement our in-class offerings.

## MORE PROFESSIONAL OPPORTUNITIES

Pairing college experience with a degree opens the door to more career possibilities along with the chance to pursue graduate and professional studies.

## SAVE TIME

By building on your prior learning and transferring your college or university credits, you can obtain a degree faster than the regular undergraduate three- and four-year routes. This eliminates the need to start again, and allows you to use your academic success as a springboard to reach your educational goals more quickly.

# WHY WINDSOR?

**Windsor is a safe, diverse, and student-friendly city only minutes away from all the big city excitement of Detroit, Michigan.**

Visit Detroit to enjoy cultural events, museums, concerts, and professional sports.
