Transfer into your tomorrow

At UWindsor, we are committed to recognizing what you have already learned. We prioritize your most recent academic achievement when determining admissibility, and provide a full review of your previous courses for potential transfer credits after you are accepted at the University of Windsor.

University Students

Transfer credit may be granted for university courses with a grade of 60% (C-) or better, subject to course evaluation.

College Students

Transfer credit may be granted for eligible college courses completed with a grade of 70% or better, subject to individual course evaluation.

Your transfer credit will be confirmed following your application and course evaluation.

How to apply

1. Review our Transfer Pathways and Course Equivalency Database.
